COURT NEWS

IS ALL HERE

Three New Cases Were Filed in Common Pleas Court During Past Week

GRAND AND PETIT JURORS

For January Term of Court Were Drawn on Monday--Jury For This Term Finally Discharged Monday.

Three new cases were filed in the Common Pleas Court during the past week.

Roy Allen asks for a divorce from Parmelia Allen on the grounds of gross neglect of duty and extreme cruelty. The parties were married at Dayton on Nov. 6, 1909 and have one child aged 3 years. The plaintiff says that his wife refused to perform her household duties and would allow men to visit her when the plaintiff was away at his work; that she also had an ungovernable temper and at times called the plaintiff vile names and struck him. The plaintiff further alleges in March 1911 his wife deserted him, and it is reported went away with Walter Jones; that she took their daughter with her. The plaintiff lives in Greenfield.

Clarence Oller prays for a divorce from Goldie V. Oller on the grounds of gross neglect of duty. The parties were married Aug. 7, 1912 and have no children. They live in Greenfield.

In the case of Cassie M. Link against John Link, as administrator of the estate of L. S. Link, deceased, the plaintiff asks for a judgment for \$741 with six per cent interest. The sum is made up of the following items:

Work, labor and personal services of the plaintiff for L. S. Link from April 15, 1907 to April 15, 1913, value \$520.

Special services, care and nursing by plaintiff of said L. S. Link during his last illness, a period of nine weeks, value \$159.

Cash loaned L. S. Link by plaintiff \$50.

A promissory note for \$12 executed by L. S. Link in favor of the plaintiff, no part of which has been paid. The plaintiff says that she has lost this note.

The plaintiff alleges that the work and services were performed upon the personal solicitations of said L. S. Link; and that his estate is indebted to her in the amounts claimed and she therefore prays judgment for the same.

NOMINATION OF OFFICERS

Of Business Men's Association Made Friday--Complaint About Mail Service.

The regular meeting of the Business Men's Association was held Friday night.

A few bills were presented and allowed.

R. B. Fairley made a report for the committee appointed to see about having the 9 o'clock night passenger B. & O. train retained. The successful termination of this work is well known to the public.

The change in the freight train schedule over the B. & O. was then brought up by George L. Garrett. This schedule went into effect Monday of last week. It only provides for one freight train into Hillsboro each day. It is scheduled to arrive at 8:40 in the morning and to leave at 2 in the afternoon. So far it has not arrived here before ten o'clock and several times not until about noon.

After a short discussion of the inconvenience and hardships which the late arrival of this train causes both people receiving freight and those receiving mail, upon motion President Free appointed a committee of two to take up this matter with the officials of the road and see if some change could not be effected which would insure better service. C. M. Lacy and Granville Barrere were appointed on this committee.

This was the night for the nomination of officers of the Association.

President Free appointed George L. Garrett, C. M. Kerns and Dr. W. Hoyt to select the candidates on the Blue Ticket and R. B. Fairley, John McMullen and Granville Barrere to select the nominees on the Brown Ticket.

The nominations made were as follows:

Blue Ticket--President, Sam R. Free; Vice Pres., C. M. Lacy; Secretary, F. R. Ambrose; Treasurer, J. W. Evans; Members Executive Committee, R. B. Fairley, J. E. Stabler, E. H. McClure.

Brown Ticket--President, Sam R. Free; Vice Pres., C. M. Lacy; Secretary, Irvin McD. Smith; Treasurer, J. W. Evans; Executive Committee, F. R. Ambrose, J. E. Stabler, E. H. McClure.

Following the nominations Mr. Ambrose asked to withdraw his name as a candidate for secretary stating that it would be impossible for him to serve if elected.

The meeting then adjourned.

S. S. Officers.

The Sunday School of the Christian Church re-organized last Sunday by electing John S. Faris, Superintendent; C. N. Winkle, Ass't. Superintendent; Gladys Hogsett, Secretary; Lucille Lewis, Ass't. Secretary; Stanley Jordan, Treasurer; James Puckett, chorister; Mrs. Lavinia Alls-pach, Ass't. Chorister; Organist, Madge Faris.

The school is in a flourishing condition with a record excellent in all departments that of any previous year in the history of the school. Next Sunday promises to be a red letter day in the point of attendance, at least for the members are very enthusiastic and are going into the highways and byways looking for new recruits. If you are not attending school any where, come next Sunday and join one of the big classes.

Correction.

A mistake occurred in one of the items of the bills allowed by the county commissioners in last week's issue. The item read A. N. Carr, steel beam, Liberty tp., \$309.95. It should have been W. N. Carr steel beam bridge Liberty tp., \$309.95. Mr. Carr states that his bid for this work was \$40 less than any of his competitors and that he also bid \$97 less than any of his competitors for contract for the reinforced concrete bridge on the state highway near Belfast.

HOSPITAL FUND

CONTRIBUTORS

Will Hold Meeting at Court House Friday Evening, December 12

TRUSTEES ARE TO RESIGN

And Make Report of Disposition of Funds and Wind Up Affairs--Large Attendance is Greatly Desired.

To Subscribers to Highland County Hospital Fund:

A meeting will be held at the Court House in Hillsboro, Friday evening, Dec. 12, 7:30 o'clock, to receive report and resignation of trustees.

JOHN MATTHEWS, Trustees.

O. N. SAMS,

This meeting should be attended by every subscriber to the Hospital Fund and some definite action taken.

The campaign in which this fund was raised was held over a year ago. Since that time nothing has been done on account of disagreement between the subscribers to the fund and the stockholders of the Highland County Hospital Company, the old organization.

It is a disgrace to this community that a charitable movement should be defeated because of petty jealousies, and the personal ambitions of one man.

This money it was understood at the time was raised for the purpose of securing a hospital for the benefit of all the people of Highland county. Great enthusiasm was worked up and about \$20,000 pledged for the equipment and maintenance of the hospital.

The campaign had barely ended before bickering and strife arose between the contributors to the fund and the Old Hospital Company. On account of this trouble no real progress has been made towards securing a hospital.

The meeting Friday night is for the purpose of showing what disposition has been made of the funds paid in and receive the resignation of the trustees. It is also hoped that either such action will be taken as to wind up the Hospital movement and the people try to forget the fiasco or that a plan will be agreed upon to establish a hospital at an early date.

If you are a subscriber to the fund attend the meeting Friday night.

Home Coming and Grand Rally.

Don't fail to be present all day Sunday at the New Hope Baptist Church, especially in the afternoon do I desire a packed church for the program is fine.

We want you to enjoy with us an all day religious feast. All are cordially invited.

FISH AND GAME SOCIETY

Meeting to be Held at Court House Saturday to Organize One in This County.

All persons interested in the enforcement of the fish and game laws are urged to be present at the Court House Saturday afternoon at 2 o'clock for the purpose of organizing a Fish and Game Protective Association for Highland county. The object of the society will be the restocking of the streams with fish, the enforcement of the fish and game laws and the laws protecting song birds; and the rendering of all proper assistance to city and county officials in preventing pollution of water-courses and any malicious destruction of property by hunters or fishermen.

G. G. O. PENCE.

Gen. John C. Speaks, chief warden of the Fish and Game Division of the State Agricultural Commission will be present and address the meeting, also J. S. Sackett, a deputy state game warden. Mr. Sackett has been here for a week or more for the purpose of effecting the county organization.

Mr. Sackett states that if the Society is formed fifty pair of pheasants will be shipped here and distributed through the county and that arrangements for their distribution will be made at the meeting Saturday. He also says that if the society is organized that Lake Erie bass, large enough for spawning, will be shipped here next spring for stocking the streams and ponds and each spring and fall thereafter.

A deputy state game warden to be located in this county and paid by the state, Mr. Sackett said, would be appointed and that the state department would appoint whoever the local society recommended, that no one else need apply; that the purpose was to interest people locally in the enforcement of the laws and that the state commission would co-operate with and support them in every way in the work; that county societies had recently been formed in the neighboring counties of Ross, Fayette, Clinton and Madison and that an effort was being made to form societies in every county in the state.

Every man who fishes or hunts for sport, every landowner, to whom the preservation of game birds is important, and every lover of birds should attend the meeting Saturday and join the society and give their support to this excellent movement.

Violators of Game Laws.

Two violators of the fish and game laws were arrested and fined last week. The arrests were made by J. S. Sackett, deputy state game warden.

A 120 foot trammel net was found in the possession of David Elliott, who lives south of town and he was fined \$100 and the costs by Mayor Wilkins, which he paid.

Z. T. Roads was mistaken in the time the law was up and went hunting Friday. As he was returning home that evening with a couple of rabbits, Mr. Sackett caught up with him. Mr. Sackett was riding and Mr. Roads walking. Mr. Sackett offered Mr. Roads a lift to town, which was accepted and took him to the Mayor's office, where he drew a fine of \$25 and costs, the minimum amount allowed by law.

W. R. C. Elects Officers.

The Womans Relief Corps elected officers for the ensuing year at the meeting on Friday evening. The new officers are: President, Rebecca Williams; Senior Vice, Mary Rhodes; Junior Vice, Margaret Wedding; Treasurer, Carrie Holmes; Secretary, Clara B. Ayres; Chaplin, Louise McMullen; Conductor, Margaret Boyle; Delegate, Carrie Holmes; Alternate, Florence Stabler; Guard, Rose Colvin; Press Cor., Florence Stabler; Respt., Florence Stabler; Installing, Mary Uhrig.

Mrs. Lulu Robinson and grandson, Robert Baird, of Washington C. H., are spending this week with Mrs. George B. Gardner.

Miss Lavinia Dill and Miss May Cummings will return today from a visit with Mr. and Mrs. Fred Hibben, at Cleveland.

Mrs. John R. Horst, who has been visiting her parents, Mr. and Mrs. Daniel Williams, and her daughter, Mrs. Paul Harsha, returned to her home at Columbus, Saturday.

The Hillsboro High School basketball team will play its first game of the season at Carroll's Hall on Friday evening with the South Salem High School team. The local boys have been practicing hard and it is thought will put up a good game. South Salem has played several games and have not been defeated.
